Abuse, Boundaries and Dignity

All Agency Types

Tuesday, February 21, 2012

9:45 am Registration - 10:00 am – 3:00 pm
Pavillion Towers II, 2821 South Parker Road,
Lower Level (LL) Conference Room

Workshop Goals

The goal of this workshop is to provide an understanding of the Abuse Awareness. *Approach: How do I begin to investigate, when I'm not sure? What if there is no evidence? If it's a family member then my agency can't do anything, right? They just yell a lot.* This class will assist in clearing up the gray areas as well as following through on the investigative process.

Workshop Content

This Certificate Workshop offers a four part curriculum, with interactive discussions, presentations and case studies. Each participant receives a comprehensive manual and lunch. The curriculum includes:

PROGRAM – 4 CEUs
Presenting tools for: Abuse Awareness, Identification, Investigation, Follow up and Outcome
Evaluate Boundaries and Case Studies
Questions & Answers
Evaluation, Competency Exam

You will learn the skills necessary to show a clear understanding and appropriate application in providing oversight, assignment and services for care of the fragile, ill, physically and cognitively disabled consumer. After this course, you will be able to:

- ✓ **Analyze how the abuser cultivates the environment to enhance the abuse cycle.**
- ✓ **Describe how caregiver stress can create potential for abuse.**
- ✓ **Identify triggers for abuse.**
- ✓ **Articulate how the consumer is impacted by verbal, physical, mental and sexual abuse.**

Continuing Education Units

Each attendee receives a Certificate of Attendance for up to four (4) clock hours of education at the completion of the workshop, course evaluation and competency exam.

Who Should Attend

This workshop is appropriate for personnel of both Skilled & Non-medical Agencies who wish to learn about appropriate and best practices of identifying, investigating and reporting Abuse.
